ZT31SB Kitchen

Family Camping!

The Zinger travel trailers and fifth wheels are engineered for the camping family in mind. The Zinger is available in 15 floor plans in which 10 are bunkhouse models. Throughout the Zinger you find cherry stained cabinetry accented with brush nickel hardware. The cabinet doors and drawer fronts are backed by the manufacturer's lifetime limited warranty.

The u-shaped dinette in the 31SB provides plenty of room for the family at meal time and it also converts into an extra sleeping area. Every Zinger passes a comprehensive 96-point inspection before it ever leaves the factory.

In the back of the 31SB, the entire family will enjoy a separate entertainment center and extra storage built into the door side bunk.
